GitHub: https://github.com/ribbonanarchy
Portfolio: https://ribbonanarchy.github.io/02-Unit2-HW-Portfolio/

SUMMARY

Back-end Web Developer with both a Bachelor's degree in Computer Science and a recently-acquired certificate in full-stack web development from the University of Texas at Austin Professional Education. Experienced in algorithmic thinking required for efficient problem-solving, passionate about logic, and critical thinking. A proponent of team coding and works well with others.

TECHNICAL SKILLS

Languages: JavaScript ES6+, CSS3, HTML5, SQL, NoSQL, MongoDB, MySQL, Express, React
Programs: Node, Handlebars, jQuery, Bootstrap, GitHub

PROJECTS

Code Quiz | https://github.com/ribbonanarchy/Code-Quiz
https://ribbonanarchy.github.io/Code-Quiz/
- Summary: This is an application that administers a timed quiz of JavaScript questions to the user.
- Role: Sole author
- Tools: JavaScript, HTML, CSS

PokemonVsNature | https://github.com/ribbonanarchy/PokemonVsNature
https://ribbonanarchy.github.io/PokemonVsNature//
- Summary: A fun application that allows the user to search for a 5-day weather forecast with a Pokemon theme. The application uses the PokeAPI in order to provide the user with six Pokemon of types that are related to the chosen weather.
- Role: Back-end developer
- JavaScript, HTML, CSS, Materialize

Team Profile Generator | https://github.com/ribbonanarchy/Team-Profile-Generator
https://watch.screencastify.com/v/jvWK5qqCRY64zCv28U31
- Summary: This is a node application that uses the Inquirer package to prompt the user for information about their development team. The application then generates an HTML page that displays a card for each member of the team.
- Role: Sole author
- Tools: JavaScript, HTML, CSS, Node, Inquirer, File System

EXPERIENCE

Accounts Payable Clerk 2021 – 2021
Continental Automotive Group Austin, TX
Used accounting software and Microsoft Excel to submit contracts and payments to various vendors for four different Austin area car dealerships.

Key Accomplishments:
- Coordinated with customer-facing Finance departments of multiple dealerships in order to streamline the process and ensure that the products that each customer purchased were paid for on our end.
- Trained multiple other employees in my job duties during my employment and before I exited the role.

Lead Internet Orders Bookseller   2019 – 2020
BookPeople   Austin, TX
Coordinated the fulfillment of internet orders for Texas's largest independent bookstore.
Key Accomplishments:
- Promoted to Lead Internet Orders Bookseller from Floor Bookseller within six months of employment.
- Helped to develop the internet orders system post-pandemic once the doors of the store were shut and all of the business was being done online.

EDUCATION

Full Stack Web Development Certificate: University of Texas, Austin, TX
A 12-week intensive program focused on gaining technical programming skills in HTML5, CSS3, JavaScript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js and ReactJS.

Bachelor of Science, Computer Science: Texas State University, San Marcos, TX
